```

A vertical flowchart illustrating the sequence of header file inclusions. It starts with a grey box at the top containing the file path 'C:/Users/sjh13/sources /VisualBoyAdvance/src /bilinear.cpp'. A blue arrow points down to a white box labeled 'System.h'. Another blue arrow points down to a white box labeled 'unzip.h'. A final blue arrow points down to a white box labeled 'zlib.h'. The boxes are connected by a continuous vertical line with downward-pointing arrowheads.
