

OamView::OnClose

```
graph LR; A[OamView::OnClose] --> B[VBA::winRemoveUpdateListener]
```

A diagram showing a call from OamView::OnClose to VBA::winRemoveUpdateListener. The first box, OamView::OnClose, is shaded gray and has a black border. A blue arrow points from its right side to the second box, VBA::winRemoveUpdateListener, which is white with a black border.

VBA::winRemoveUpdateListener
