

getopt\_long\_only

```
graph LR; A[getopt_long_only] --> B[_getopt_internal]
```

A diagram showing a relationship between two functions. On the left, a gray rectangular box contains the text 'getopt\_long\_only'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text '\_getopt\_internal'. Both boxes have a black border.

\_getopt\_internal
