

debuggerDoSearch

```
graph LR; A[debuggerDoSearch] --> B[AddressToGBA]
```

A diagram showing a call from the function `debuggerDoSearch` to the function `AddressToGBA`. The `debuggerDoSearch` box is shaded gray, and the `AddressToGBA` box is white. A blue arrow points from the right side of the `debuggerDoSearch` box to the left side of the `AddressToGBA` box.

AddressToGBA
